

HOUSE RESOLUTION No. ____

Introduced by: Friend

A HOUSE RESOLUTION urging the establishment of an interim study committee to study agricultural marketing, including the use of ethanol and a potential ban on the use of methyl tertiary-butyl ether in petroleum products.

Whereas, throughout the history of Indiana, agriculture has formed the backbone of industry in our state; and

Whereas, it is vital that Indiana farmers be given all the tools available to them to ensure that Indiana farms continue to prosper in the generations to come, including fuel uses; Therefore,

Be it resolved by the House of Representatives of the
General Assembly of the State of Indiana:

SECTION 1. That the legislative council is urged to establish a committee to study agricultural marketing, including the use of ethanol and a potential ban on the use of methyl tertiary-butyl ether in

petroleum products.

SECTION 2. That the committee, if established, shall operate under the direction of the legislative council and that the committee shall issue a final report when directed to do so by the council.
